

Andrzej Mazur (Clermont-Ferrand, France)

Biographical Sketch

Director of the Human Nutrition Unit, INRA and University of Clermont Auvergne, Clermont-Ferrand, France, editor-in-chief of the “Magnesium Research”- Official Journal of the International Society for the Development of Research on Magnesium. His lab is involved in research intended to provide knowledge of the mechanisms by which nutrients, especially micronutrients, contribute to the prevention of age-related diseases. His research on magnesium has been focused on its role in inflammation and the CVD risk as well as on magnesium status assessment. His speech will introduce a round table on the status and assessment of magnesium. Contact: andre.mazur@inra.fr
